What is Advancement Via Individual Determination (AVID)?

AVID is a national system that is designed to increase the number of students who enroll and persist in 4-year colleges. Its mission is to prepare all students for college readiness and success in a global society.

AVID students enroll in rigorous classes such as Honors, Advanced Placement and International Baccalaureate, and receive support in an academic elective class called AVID. The class is taught within the school day by a trained AVID teacher with assistance from AVID-trained tutors. In FCPS, AVID is available at 23 secondary schools and one elementary school.

AVID Components include:

Emphasis on writing, inquiry, collaboration, organization and reading
(WICOR)

Study skills instruction

Motivational activities

Career & college exploration
