

# Academic Advising Information Night

School Year (SY) 22-23

# Why do we spend so much time on Academic Advising?

## For students:

- Graduation requirements
- Special programs
- Identify strengths and interests
  - Post-Secondary plan
- Balance!

## For the school:

- STAFFING- deadlines are crucial

# Timeline

- **December:** Curriculum Fair videos are live.
- **January 20:** 7pm Academic Advising overview virtual meeting
- **January 25:** Counselors begin meeting with students individually for Academic Advising
- **February TBD:** We hope to hold an in-person Curriculum Night
- **March 14:** Any changes to course selections must be made
- **March 14- June 1:** Changes to course selections may be made on a space-available basis. Some courses may be closed due to over or under enrollment. We are staffed based on students' course selections at this time. Any change after March 14- (including the following fall) may be difficult.
