Please answer the follow questions thoughtfully and truthfully. The effort and time you invest in this confidential questionnaire will enable me to write an effective and positive recommendation.							
1.	What words would you use to describe your academic strengths and personal assets						
	and why?						
2.	What accomplishments are you most proud of (academic, extracurricular, personal)?						

3.	Relate life experiences that have significantly impacted you. (For example, personal obstacle that you have overcome; special circumstances that affected your academic performance; financial issues.)
4.	In my recommendation, I will write about you as a unique individual. What other information can you share with me? i.e. For what are you most grateful?Describe an work or travel experiences that have had a significant impact on you. Explain. What are you most passionate about and why?
5.	What kind of volunteer work (if any) have you done and what impact has that work had on you?

6.	Give me one valuable life lesson you have learned and the experience which helped you learn that lesson.
7.	What is your possible career major? Possible career goals? Why?
8.	If you are an IB Diploma candidate what is your EE about (include title if you have one)?

Fill this page out OR attach a resume
