**Middle School: (Circle one)**    Hughes                      Carson                      Other: \_\_\_\_\_                      Counselor \_\_\_\_\_

Please note that students must select seven classes. Courses, including most electives, are full year. It is extremely important for students and their families to carefully consider course selections. **Students should note that an Honors course may not be dropped during the first quarter of the school year.** The school is staffed, and the master schedule is developed based on student course requests in the spring. Therefore, changes to student schedules in late summer and early fall may not be available. If you have any questions, please contact your student's middle school counselor. (See 2018-2019 Online Course Catalog for requirements for Graduation).

- The decision to take an Honors course is a serious one. The work in these courses will require the following:
1. Exemplary work habits and time management skills.
  2. A genuine desire to learn.
  3. Personal responsibility for attendance and work requirements.
  4. Self-discipline and the determination to succeed.
  5. Competence in, and a willingness to improve communication skills, especially writing.

Parents/Guardians: Please review the courses your student has requested. Sign this form, and return it to your student's counselor. Students will be required to remain in Honors Courses through the first quarter. Requests to drop a class after the first quarter may be honored if there is space available in the requested class. If a move can be made, the grades earned in the Honors Course will transfer to the new course.

Staffing needs are determined by student course requests made by March 9th. Any requests to make changes from March 10th – June 15th will be considered as space is available.
